

The Rotary Club of Lisbon celebrates its Centenary on 23 January 2026.

This milestone, achieved by few institutions, will be even more important for us as more Rotarians Fellows and friends join us in this celebration.

The comprehensive programme we are sharing will be enriched with the presence of fellow members, guests and institutions that have accompanied the club's activities throughout this century.

We also hope to have the presence of the President of Rotary International, Fellow Francesco Arezzo, and other fellows from clubs around the world, namely the Centennial clubs.

Follow all the information and register on the club's website at
<https://www.rotaryclubelisboa.org/centenario-100y/>.

Join us for this unique celebration so important for the Rotary Club of Lisbon and for Rotary in Portugal

We are counting on your friendly presence,

Pedro Correia
